BIOGRAPHY

PROFESSOR UDAY REDDY

Professor Uday S. Reddy is a Professor of Computer Science at the University of Birmingham, where he has been since 2000. He served as the Head of School during the period 2004-2008, leading the School's submission to the RAE 2008.

Prior to his work at Birmingham, he was an Associate Professor at the University of Illinois at Urbana-Champaign in the USA, and he has held visiting appointments at the Imperial College, University of Glasgow and Queen Mary.

Professor Reddy does research in programming language semantics and in devising tools and techniques for program reasoning.
